

Rheingau | Germany

Family owned winery with 12 hectares under vine.

Member of the VDP.

-

Quality doesn't happen by chance. Using the latest technologies, our winery creates award-winning wines. Yet, we also know that above all, quality is created in the vineyard. We trust in the importance of best sites, healthy soils, and strong vines as the basis for producing above-average wines.

The family owned estate's 12 hectares (30 acres) of vines are planted with the Rheingau's classic varietals, Riesling and Pinot Noir, supplemented by small quantities of Sauvignon Blanc and Pinot Blanc. Since 1999 we are a member of the VDP.

Owner

Alexander Freimuth

Cellar and Production

Alexander Freimuth | Jonas Freimuth (junior manager)

Acreage: 12 ha (30 acres)
